SKINCARE

## Forever Aloe Lips<sup>®</sup> with Jojoba Soothe away the pressures of the day.

When it comes to your skincare routine, don't let your lips feel left out. Soften, condition and soothe with Forever Aloe Lips<sup>®</sup> with jojoba.

Forever Aloe Lips<sup>®</sup> is the ultimate year-round solution to dry, chapped lips. Aloe, jojoba and beeswax soothe, smooth and comfort your lips while providing a long-lasting moisture barrier for your precious lips.

We didn't stop there. Forever Aloe Lips<sup>®</sup> includes jojoba oil, a natural liquid wax that both soothes and protects your lips. We combined jojoba with a skin conditioning agent called myristyl myristate for lips worth showing off.

The soothing power of aloe combined with a perfectly balanced mix of natural ingredients will leave your lips feeling cool, plump and moisturized, while three types of wax lock in moisture and give your lips a stunning gloss.

From winter snow to summer sunshine, make sure your lips are prepared for anything the great outdoors has to offer!
