Gentleman's Pride®

Aloe powered moisturizing aftershave.

Give your post-shave routine a soothing upgrade with Gentleman's Pride®. This aloe powered aftershave doubles as a super hydrating moisturizer for your entire face and neck.

Forever's formula is free of alcohol and features an exclusive blend of ingredients that provides an icy exhilaration with a clean and classically sophisticated masculine scent. With a backbone of pure inner leaf aloe vera, Gentleman's Pride® will provide long-lasting comfort and leave you feeling fresh and invigorated.

Shaving can cause irritating nicks, scratches or razor burn as the blade moves across your face. Most aftershaves have a high alcohol content that can leave your skin feeling dry. That's not the case with Gentleman's Pride®. Natural skin conditioners like rosemary, vitamin E and cucumber work alongside aloe and sodium hyaluronate to deeply soothe and moisturize.

Gentleman's Pride® allows you to face the day with confidence and comfort. This is the next generation of sophisticated skincare developed exclusively for men.
