## Forever Active HA<sup>®</sup>

**Advanced, natural joint health support.**

Nourish your joints and keep your athletic lifestyle going strong with Forever Active HA<sup>®</sup>. This advanced blend of joint-supporting ingredients, like the beneficial ginger and turmeric, is a great supplement to help keep you moving.

Athletes have long regarded ginger oil and turmeric root to help promote proper joint function. Those ingredients play an important role in Forever Active HA<sup>®</sup> alongside the powerful addition of hyaluronic acid (HA).

Hyaluronic acid is a special protein created in our bodies that works to lubricate and cushion joints. Our innovative formula uses a unique form of low molecular weight hyaluronic acid. Aside from promoting joint health and function, this substance supports skin hydration and can hold up to 1,000 times its volume in water!

Maintaining an active lifestyle is a main ingredient for looking and feeling better. Try taking Forever Active HA<sup>®</sup> with our Forever Freedom<sup>®</sup> to promote optimal mobility and joint function!
