

Vit_♀lize[®] Women's Vitality Supplement

#375

Vit_♀lize[®] Women's Vitality Supplement Balanced support for a woman's body.

Vit_♀lize[®] provides balanced support specifically engineered for women's bodies. Our proprietary blend including clinically-proven cranberry and powerful botanicals, paired with key vitamins were carefully selected to pinpoint a woman's unique nutritional needs.

Schisandra berry powder, apple powder, passion flower and B vitamins promote hormonal balance. We also added essential vitamins and nutrients that are commonly depleted by stress and medications like birth control and hormone replacement therapies.

The use of patented cranberry powder delivers healthful nutrients to the lower gastrointestinal tract with a time-release mechanism that protects it from stomach acid for better absorption. Power packed cranberry is clinically proven to support urinary tract health.

Vitamins and minerals like iron, magnesium and B vitamins were added to support healthy reproductive organs and vitamin D to promote ovarian health. Give your body nutrition that's formulated for you with your unique needs in mind.
