

Aloe Liquid Soap

#633

Aloe Liquid Soap

A powerful, gentle and versatile cleanser for the whole family.

Cleanse and maintain skin's moisture with Forever's Aloe Liquid Soap. Our creamy, pearlescent formula cleans and nourishes to leave your skin feeling fresh and renewed. Whether it's on your kitchen counter or in the shower, Aloe Liquid Soap harnesses the power of aloe with other quality ingredients to provide a versatile whole-body cleansing experience for the entire family.

By combining the best of nature with pure aloe vera from our own fields, Forever has created a liquid soap that leaves skin feeling soft and clean. Aloe soothes and softens, while argan oil delivers vitamin E and natural fatty acids to condition and promote healthy skin. This extraordinary ingredient is known as "liquid gold of Morocco" and is carefully harvested from the fruit of the tree.

We also boosted the skin enhancing benefits of Aloe Liquid Soap with jojoba esters and cucumber fruit extract to help maintain moisture. The soothing properties combine perfectly with aloe vera to gently cleanse and leave skin feeling smooth and soft. But the benefits don't stop there. We've added Arnica fruit extract, harvested from a yellow flower that grows in the mountains, to help stimulate skin and leave it feeling fresh and rejuvenated. Top notes of citrus mingle with a backdrop of woody and floral aromas like cinnamon spice, cedar leaf and rose for a fragrance that enhances the feeling of freshness.

With a combination of natural oils, extracts and pure aloe vera, Aloe Liquid Soap has just what your skin needs to feel clean, nourished and renewed.

PERSONAL CARE
