Aloe Body Wash

Gentle, powerful cleansing with skin-conditioning aloe.

Let the best of what nature has to offer nourish and cleanse your skin with Forever's new Aloe Body Wash. This sulfate free formula features powerful yet gentle cleansing with skin conditioning ingredients that will wash away dirt and leave your skin feeling soft and refreshed.

Aloe Body Wash is pH balanced to help retain skin's moisture and promote hydration. Key ingredient, aloe vera, aids anti-aging by promoting moisturizing while vitamins A, C and E nourish and support healthy-looking skin.

Our formula features a rich, inviting fragrance of woods, amber and a warm blend of herbs for a scent that is universally appealing. You may notice something a little different about Aloe Body Wash's unique color. The pleasing shade of seafoam green comes from naturally-derived copper chlorophyll!

You'll feel the difference right away as Aloe Body Wash forms into a rich, creamy foam that rinses away easily without stripping your skin of moisture. The gentle cleansing is made possible with ingredients like argan oil, arnica flower extract and hydrolyzed jojoba esters, which help soften skin while increasing hydration and smoothness.

Don't reach for another body wash that leaves your skin feeling dry or stripped of nutrients. With Aloe Body Wash, you'll get the powerful cleansing you're looking for with the perfect blend of ingredients to leave your skin looking and feeling healthy and refreshed.
